ABOUT ME

I'm Tetsuhiro U. Kodo, a fourth-year college student pursuing a degree in BSIT Major Specialization in Web Development. I have a strong passion for creating unique and dynamic websites. Through the years of Education, it has been a productive learning experience, where I've developed abilities in HTML, CSS, and JavaScript, and many more.

OBJECTIVE

Enthusiastic and a dedicated Web Developer with a passion for creating dynamic websites. Eager to apply and expand my current skills while embracing new technologies. Committed to continuous learning, reflecting on mistakes, and leveraging feedback to deliver high-quality work. Seeking an opportunity to contribute to a company and further develop my capabilities in web development.
